A license is required for each person picking up milk in a farm milk tanker from a farm bulk milk tank. The license shall be renewed by **July 1st** every two years, and application for renewal made 10 days before expiration.

The statutory fee of \$40.00 must accompany this application. *Call (517) 373-1060 for fee on an initial application. An **initial license** cannot be issued until after the applicant has satisfactorily passed an examination.

****Renewal licenses** will be issued only upon evidence of an inspection by an MDA Dairy Inspector within the past 24 months. If this application has been preaddressed by the Dairy Section, please check the date in the upper right of your address label for last inspection date as shown on division records.

If you need to arrange for the examination or for an inspection, please contact your local Dairy Inspector.

Make remittance payable to **STATE OF MICHIGAN**.
